

**CITY OF BREA  
CITY TREASURER**

**GLENN G. PARKER**

**AGE: 51**

**OCCUPATION:** Management Company President

Brea has enjoyed a healthy financial condition for many years because of the conservative fiscal policy supported by many City Councils. This has helped Brea avoid the deep cuts other cities have had to endure. My goal as City Treasurer would be to maintain this conservative fiscal policy and work with the City Council to maintain and help strengthen the City's financial health.

As a result of my experience on Brea City Council, I have a working knowledge of the City's financial policies, procedures and programs. During my tenure, we enacted the current City investment policy and I championed a program to effectively calculate the reserves needed to replace and maintain City assets. In addition, my company provides management and financial support services to fourteen homeowners associations.

Qualifications: BS Business Management - Cal Poly Pomona, Claremont Graduate School Executive Management Program, Founder/Owner Parkglan Community Management, Past Mayor and Council Member 1990-98, Co-Founder/Board Member Wildlife Corridor Conservation Authority, President - Hills for Everyone, Past Chairman - St. Angela Merici Summerfest, Sports Park Charette Participant, Brea resident since 1981.

Endorsed By: Assemblywoman Lynn Daucher, Council Members Bill Lentini, John Beaman, Marty Simonoff, Bev Perry and many other Brea citizens.
